

Walton County Amateur Radio Club

Preamble

This is (**Amateur Call**) and this is the Walton County Amateur Radio Club Net. Is there any Emergency or Priority traffic at this time?

My name is _____ and I am the NCS for this session of the Net. This Net serves as a training Net for passing emergency and routine traffic in conjunction with the Walton County Amateur Radio Emergency Service. It also distributes information during severe local weather conditions.

This net meets every Monday, Wednesday, and Friday evenings at 7:30 local time on this repeater, anyone not making this repeater please call simplex on 147.285 MHz and ask for a relay. Should this repeater be down, please switch to the KJ4JAH Repeater on the Frequency of 147.375 MHz Both of these of these repeaters are 100 Hz tone encoded, in the event that both of these repeaters are down the Net will be called on 147.285 MHz simplex.

This is a directed Net, please do not transmit unless directed to do so by the NCS. Are there any stations with routine traffic?

(Hold formal and informal traffic until after the Roll Call)

Are there any mobile stations?

(Take mobile Stations)

Are there any stations short of time?

Take short of time stations)

For those short of time thank you for checking in this evening, you may leave at your leisure.

Are there any stations on EchoLink?

(Take EchoLink stations.)

This is (**Amateur Call**) the roll call now follows.

(Call Roll)

That concludes the roll call as I have it. Are there any stations that I may have missed or additional check-ins? If so, please call now.

(Take any late or new check-ins and pass any remaining traffic at this time)

The formal portion of the Walton County Amateur Radio Club Net is now closed.

This is (Amateur Call) now opening the informal portion of the Walton County Amateur Radio Club Net. A roll call will not be made. Is there any information of interest for the Net?

(Acknowledge and allow information to be presented)

Are there any Club matters or technical queries that need to be discussed?

(Acknowledge and allow information to be presented)

Is there any swap or want items? Any items must be Amateur Radio related. Prices may be given on the air.

(Acknowledge and allow information to be presented)

Before I close is there anything else to be discussed or any additional check-in's?

NCS may pass any remaining traffic and net reports at this time to the Net Manager.

This closes the informal portion of the Walton County Amateur Radio Club Net. Thanks to all who has participated. This is (Amateur Call) returning this repeater to routine Amateur use. Goodnight and 73.
